

BOXED! Zipper Pouch

- PDF Pattern

By AppleGreen Cottage

This is a **PDF pattern for a multipurpose boxed pouch with top zipper** in 2 sizes. Imagine it as a pencil case, a small makeup bag, an essential first-aid kit, or simply a pouch to store your craft supplies, like embroidery thread, buttons, ribbons and the like. Happy sewing!

This PDF file contains the pattern piece and cutting charts only, for instructions visit the **full tutorial** **here:**

SUPPLIES:

- Less than a fat quarter of fabric (less than 50 x 55 cm²)
- I used different prints - you can utilize your scrap bin!
- Each 10" x 12" (25 x 30 cm): fusible fleece, medium-weight interfacing, lightweight interfacing
- a #5 nylon coil zipper with zipper tape width 1 1/4" (3.2 cm) - min 8"/9" (20/23 cm) long, depending on the pouch size you're making
- sewing machine, needle, thread, pins or sewing clips,
- iron, scissors, or rotary cutter plus cutting mat

FINISHED SIZE

small zippered pouch: 5 1/2" wide, 3" tall, 2" deep (14 x 7.5 x 5 cm)

large zippered pouch: 7 1/2" wide, 4 1/2" tall, 2" deep (19 x 11 x 5 cm)

DIFFICULTY ★★☆☆ **intermediate**

All seam allowances are included. Please read the instructions ([link here](#)) before you start cutting.

HOW TO PRINT

This pattern contains 1 **pattern page to print – main piece only**. The optional pull handle is not included into the printable template since it's a simple 7" by 2" (18 x 5 cm) rectangle.

PATTERN PAGE TO PRINT: 3

PRINTING: Print at 100% (no scaling, NO fit-to-page).

CUTTING INSTRUCTIONS

NOTE: **printable pattern pages only include the main piece**. Even if you decide to print it, you'll need these cutting instructions to cut the (optional) pull handle.
