Fitting notes: Intended for light to medium-weight woven fabric. It has approximately 200% extra ease in the bust, waist, and hips that is gathered with elastic at the neckline and waist. You may size up or down according to your desired fullness. Some pieces may need to be cut on the cross-grain of the fabric depending on the with of the goods and your selected size. It may not be suitable for fabric with one-way prints or textures.

A handwriting practice sheet featuring a large, light gray watermark of the letter 'H' and the number '2' in the center. The right side of the page contains a series of horizontal lines for writing practice, consisting of a solid top line, a dashed middle line, and a solid bottom line. These lines are arranged in a series of slanted columns, creating a guide for letter height and placement. The entire sheet is framed by a thin black border.
