“The Adenia Bodysuit”

Ladies Sizes 00 to 32

Formatted for both
US Letter & A4 Paper

Trimless Option: This is the fastest! No trimming needed! Place left-side margins over right-side margins, overlapping dashed lines and dots. In the same fashion, top margins will overlap bottom margins. Slight unprinted gaps are normal for this method.

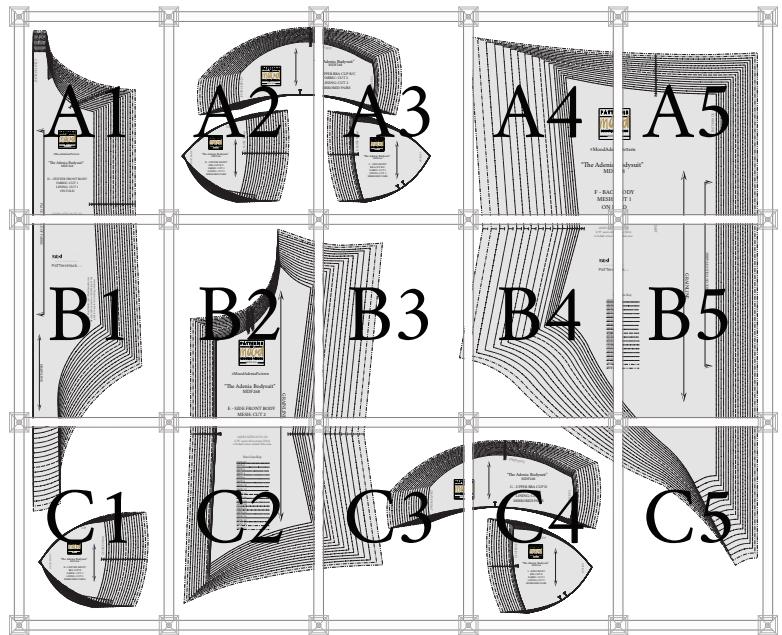

Trimmed Option: This removes any unprinted gaps. Trim along the top and right margins at the dashed lines. Overlap the trimmed margins to the untrimmed margins, matching dashed lines and dots.

Tip! Build rows first, then join the rows together as you go.

Fitting notes: Drafted for one-way or two-way stretch fabrics with approx. 30% stretch for the body width. The front body panel and bra cups can have slightly less stretch. The indicated finished garment measurements do not include the extra room you will have from the stretch of the fabric. The extra stretch room is desirable to get the garment on and then cinch it in with the lacing ties. This pattern includes two bra size cup options for B/C or D. As a best practice, sew a mock-up in similar, inexpensive fabric to evaluate the fit for possible adjustments.
