

#MoodClarkPattern

“The Clark Coat”

Ladies Sizes 0 to 30

Formatted for both
US Letter & A4 Paper

Trimless Option: This is the fastest! No trimming needed! Place left-side margins over right-side margins, overlapping dashed lines and dots. In the same fashion, top margins will overlap bottom margins. Slight unprinted gaps are normal for this method.

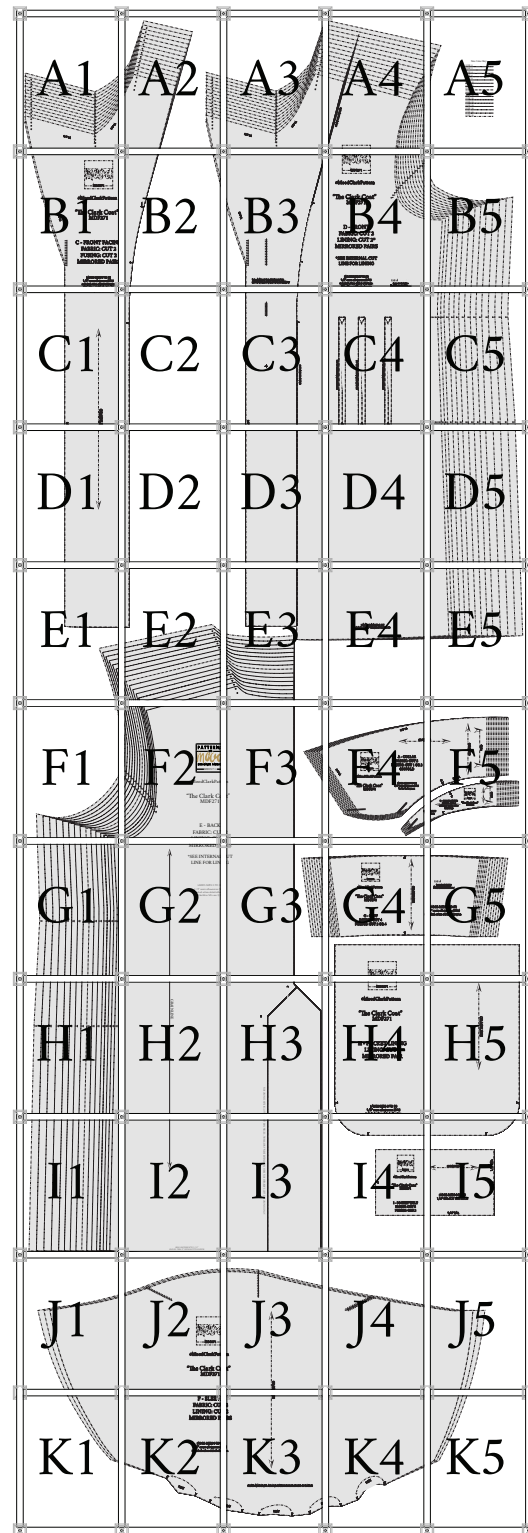

Trimmed Option: This removes any unprinted gaps. Trim along the top and right margins at the dashed lines. Overlap the trimmed margins to the untrimmed margins, matching dashed lines and dots.

Tip! Build rows first, then join the rows together as you go.

Mass production, resale, or distribution of this pattern in any form is strictly prohibited.

STOP!

Print only this page first to check accuracy.
The Mood square to the left should measure 2 inches.
Print “actual size” in “portrait” mode (not auto center).
Formatted for both US Letter & A4 paper sizes.

Fitting notes: Drafted for woven fabric such as a boiled wool. By design, this coat has an oversized fit, about 18 inches total through the body (this amounts to about an extra 4.5-inch "pinch" of fabric on each side). Choose your size according to the finished garment measurements and your personal fit preferences. For best results, sew a test garment to adjust your pattern as needed.

We love creating these free patterns for the community and we want to keep them free! In return, we hope you check out MoodFabrics.com for your next project!

Want to use one of our patterns to make a garment to sell? Our patterns are royalty-free! We just ask that you credit us with MoodSewciety.com or MoodFabrics.com in your product description.

GRAINLINE

The image is a technical drawing of a rectangular piece of fabric with a hem allowance. The fabric is represented by a light gray rectangle. A vertical line runs down the center of the fabric, ending in a downward-pointing arrowhead. The number '12' is printed in a large, light gray serif font in the center of the fabric. The hem allowance is indicated by a dashed line along the bottom edge of the fabric. The entire drawing is framed by a double-line border, with dashed lines indicating the hem allowance. The corners of the fabric are marked with small circles and crosshairs.
