“The Briar Top”

Ladies Sizes 00 to 32

Formatted for both
US Letter & A4 Paper

Trimless Option: This is the fastest! No trimming needed! Place left-side margins over right-side margins, overlapping dashed lines and dots. In the same fashion, top margins will overlap bottom margins. Slight unprinted gaps are normal for this method.

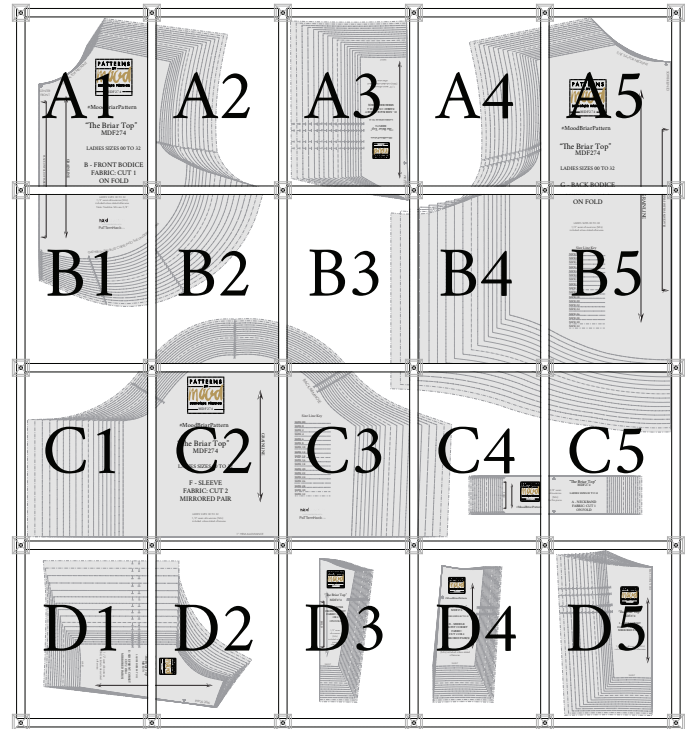

Trimmed Option: This removes any unprinted gaps. Trim along the top and right margins at the dashed lines. Overlap the trimmed margins to the untrimmed margins, matching dashed lines and dots.

Tip! Build rows first, then join the rows together as you go.

Fitting notes: Drafted for knit fabrics with at least 70% stretch. Note that the finished garment measurements do not include the additional ease you will get from the stretch of your fabric. *The front waist "corset" panels are designed to give the appearance of a cinched waist, while the back shirt has additional room. The back closure is adjustable with the lacing ties. If you want the back to close with a separating zipper or as a pull-over style (no closure), please plan to add more width to the back panels accordingly.
