"The Caraway Blouse"

Ladies Sizes 00 to 32

Formatted for both
US Letter & A4 Paper

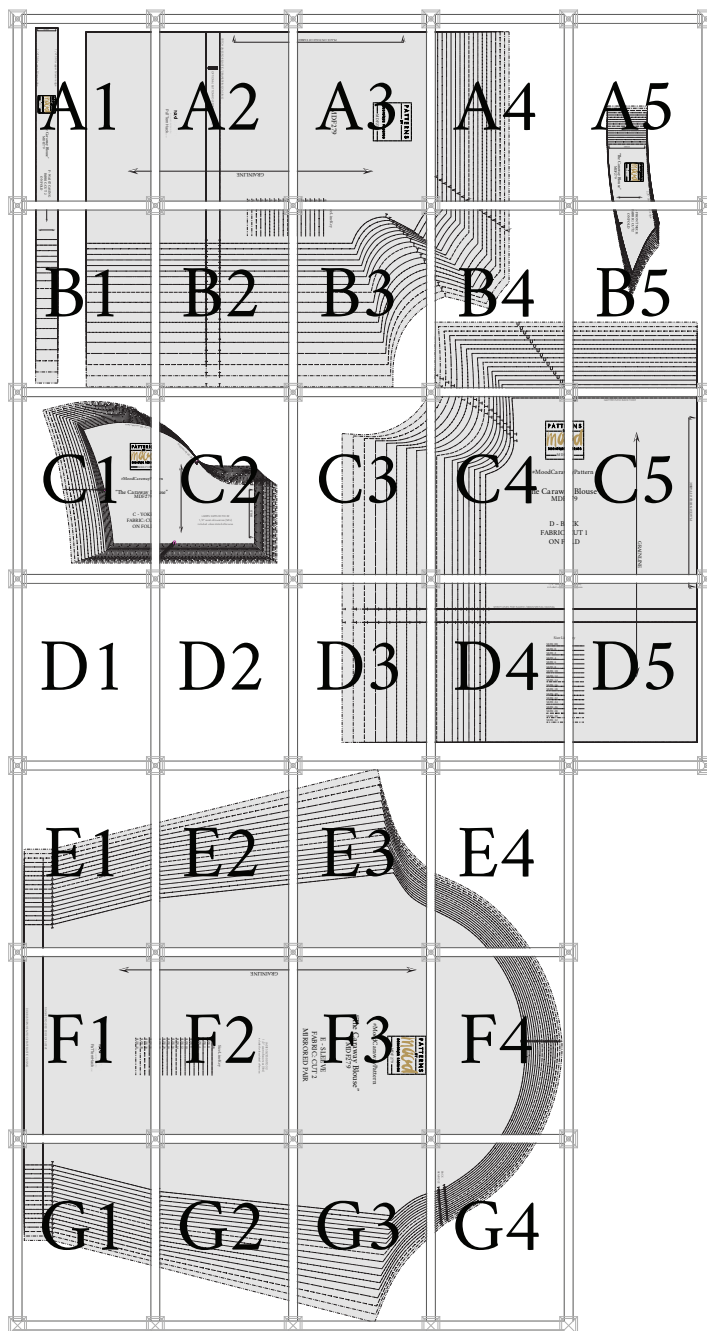

Trimless Option: This is the fastest! No trimming needed! Place left-side margins over right-side margins, overlapping dashed lines and dots. In the same fashion, top margins will overlap bottom margins. Slight unprinted gaps are normal for this method.

Trimmed Option: This removes any unprinted gaps. Trim along the top and right margins at the dashed lines. Overlap the trimmed margins to the untrimmed margins, matching dashed lines and dots.

Tip! Build rows first, then join the rows together as you go.

STOP!

Print only this page first to check accuracy.
The Mood square to the left should measure 2 inches.
Print "actual size" in "portrait" mode (not auto center).
Formatted for both US Letter & A4 paper sizes.

This image shows a handwriting practice sheet. It features multiple rows of horizontal lines designed for practicing letter formation. Each row consists of a solid top line, a dashed middle line, and a solid bottom line. In the bottom-left corner, there is a small inset box that provides a close-up view of the letter 'u' being written on these lines, demonstrating the correct stroke and positioning. The rest of the page is left blank for practice.
