

#MoodButtercupPattern

“The Buttercup Sweatshirt”

Ladies Sizes 00 to 32

Formatted for both
US Letter & A4 Paper

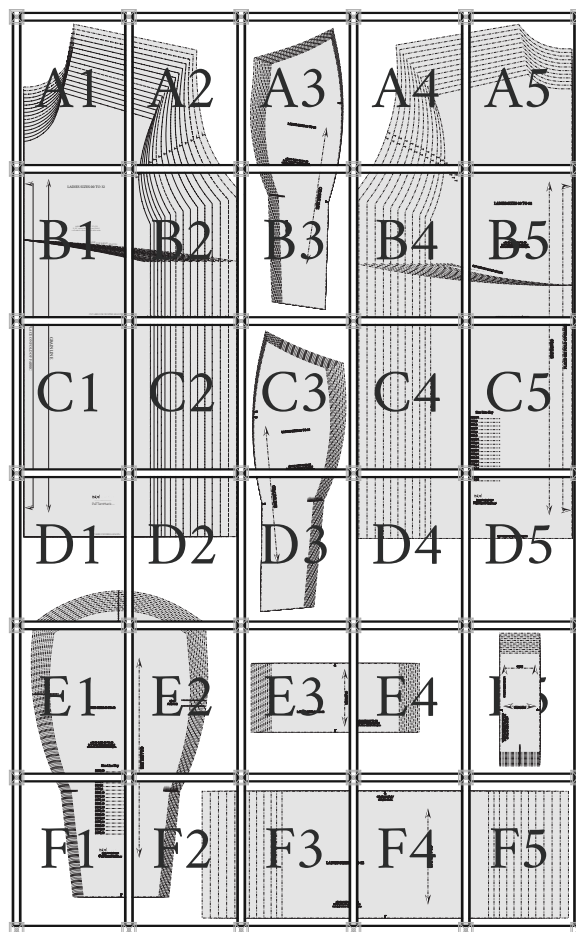

Trimless Option: This is the fastest! No trimming needed! Place left-side margins over right-side margins, overlapping dashed lines and dots. In the same fashion, top margins will overlap bottom margins. Slight unprinted gaps are normal for this method.

Trimmed Option: This removes any unprinted gaps. Trim along the top and right margins at the dashed lines. Overlap the trimmed margins to the untrimmed margins, matching dashed lines and dots.

Tip! Build rows first, then join the rows together as you go.

 **STOP!**

Print only this page first to check accuracy.
The Mood square to the left should measure 2 inches.
Print “actual size” in “portrait” mode (not auto center).
Formatted for both US Letter & A4 paper sizes.

* Measured from top of shoulder to bottom of front hem band.

Fitting notes: Drafted for knit fabrics with at least 25% stretch. The fit is boxy and very close to the body at the bust & hips with negative ease due to the stretch of the fabric and styling. Choose size according to desired finished garment measurements. Blend sizes as needed for a custom fit. As a best practice, sew a test garment to adjust the pattern.

We love creating these free patterns for the community and we want to keep them free! In return, we hope you check out MoodFabrics.com for your next project!

Want to use one of our patterns to make a garment to sell? Our patterns are royalty-free! We just ask that you credit us with MoodSewciety.com or MoodFabrics.com in your product description.
