## “The Cerise Corset”

Ladies Sizes 00 to 32

Formatted for both  
US Letter & A4 Paper

 **STOP!**

Print only this page first to check accuracy.  
The Mood square to the left should measure 2 inches.  
Print “actual size” in “portrait” mode (not auto center).  
Formatted for both US Letter & A4 paper sizes.

**Layered PDF:** Print just the sizes you need, or print them all. Note: Layered feature is only available on the Acrobat app on your computer.

**Trimless Option:** This is the fastest! No trimming needed! Place left-side margins over right-side margins, overlapping dashed lines and dots. In the same fashion, top margins will overlap bottom margins. Slight unprinted gaps are normal for this method.

**Trimmed Option:** This removes any unprinted gaps. Trim along the top and right margins at the dashed lines. Overlap the trimmed margins to the untrimmed margins, matching dashed lines and dots.

**Tip!** Build rows first, then join the rows together as you go.

\*Measured approximately 4" below the waist.

Suggested size is based on the amount of ease intended for this design. You can also choose your size according to the finished garment measurements and your personal fit preferences. For best results, sew a test garment to adjust your pattern as needed.

We love creating these free patterns for the community and we want to keep them free! In return, we hope you check out MoodFabrics.com for your next project!

Want to use one of our patterns to make a garment to sell? Our patterns are royalty-free! We just ask that you credit us with MoodSewciety.com or MoodFabrics.com in your product description.
