“The Aurora Dress”

Ladies Sizes 00 to 32

Formatted for both
US Letter & A4 Paper

Trimless Option: This is the fastest! No trimming needed! Place left-side margins over right-side margins, overlapping dashed lines and dots. In the same fashion, top margins will overlap bottom margins. Slight unprinted gaps are normal for this method.

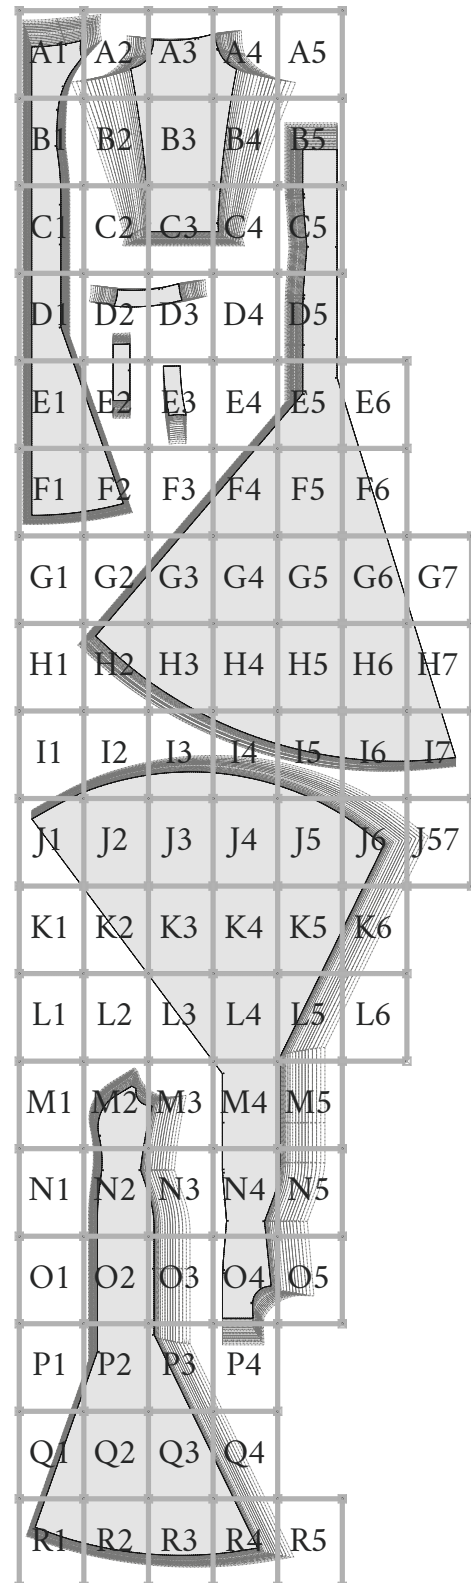

Trimmed Option: This removes any unprinted gaps. Trim along the top and right margins at the dashed lines. Overlap the trimmed margins to the untrimmed margins, matching dashed lines and dots.

Tip! Build rows first, then join the rows together as you go.

* Measured from center front neckline to bottom of front hem.

Drafted for woven fabrics. An interlining may be needed if your fabric is thin or sheer. The fit through the bust, waist, and hips is very close fitted. Consider adding boning in the bodice seams. Alternatively, you can add an inner layer to the bodice for additional boning. Choose size according to your desired finished garment measurements, blend sizes as needed. It is strongly recommended that you sew a mock-up of the torso area to evaluate the fit and adjust the pattern accordingly.
