"The Edith Dress"

Ladies Sizes 00 to 32

Formatted for both
US Letter & A4 Paper

Trimless Option: This is the fastest! No trimming needed! Place left-side margins over right-side margins, overlapping dashed lines and dots. In the same fashion, top margins will overlap bottom margins. Slight unprinted gaps are normal for this method.

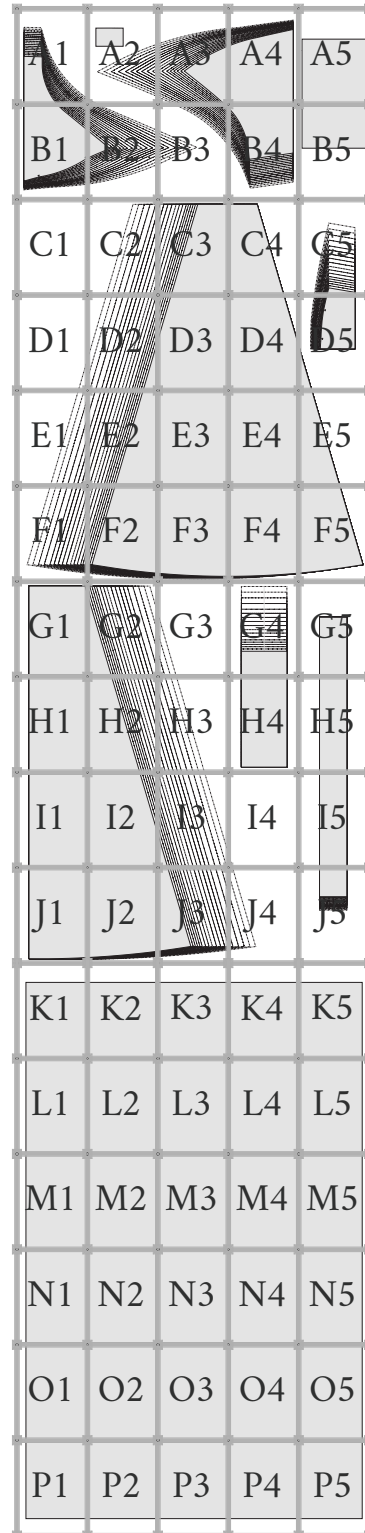

Trimmed Option: This removes any unprinted gaps. Trim along the top and right margins at the dashed lines. Overlap the trimmed margins to the untrimmed margins, matching dashed lines and dots.

Tip! Build rows first, then join the rows together as you go.

* Measured with waistband extended, before adding elastic. ** Measured from top of shoulder to bottom of front hem.

Drafted for woven fabrics or lightweight stable knits. Elastic-back waistband with gathered skirt. If you would like to pull on over your hips, choose a waist size that is a few inches bigger than your hips - otherwise, it can pull over the head. The front bodice is gathered under the bust with an open back.
