Pattern 4

The diagram illustrates a path (red dashed line) moving through a grid. The grid is divided into four quadrants by a vertical line and a horizontal line. The quadrants are labeled B5 (top-left), B6 (top-right), C5 (bottom-left), and C6 (bottom-right). The red dashed line starts in the C5 quadrant, moves up and right, then curves into the B5 quadrant, and continues to move up and right. A black arrow points from the right side of the grid towards the red dashed line in the B5 quadrant. The text "Pattern 4" is written vertically on the right side of the grid.

The diagram illustrates a path (red dashed line) moving through a grid. The grid is divided into four quadrants by a vertical line and a horizontal line. The quadrants are labeled B5 (top-left), B6 (top-right), C5 (bottom-left), and C6 (bottom-right).
