Before you start:

- Read instructions before beginning.
 - I suggest preparing your fabric exactly how you will care for the finished garment- meaning if you're going to machine wash and dry, do it now! It will prevent any shrinkage, color bleeding, and get any nasty chemicals off!
 - When printing pattern, make sure scale is set to 'none' or 'actual size'. Take your time matching and taping. Carefully measure the 2"x2"/4cm x4cm squares on page A1 to make sure it printed correctly (even if it is off by 1/8" it will change your fit dramatically!)
 - These are NO TRIM pages... just line up edge of paper to dark grey guide line. Here is a video in the [P4P FB group](#) if you need more help: [Video Link](#)
 - You are free to sell products made from the pattern. I would LOVE for you to cite that it was a 'Patterns for Pirates' pattern in your listing!
 - As always, back stitch when starting and ending a seam. Serge or zig zag finish all seams.
 - All seam allowances are 1/2" unless otherwise stated.

Optional: Topstitch.

With right sides together and aligning center of ear between marked notches, pin or clip and baste in place.

Step 2: Constructing the Hat

Step 2: Both Options - Bottom Band

With right sides together, fold band in half width wise and stitch short ends, creating a circle.

Press and fold band in half lengthwise with wrong sides together:

Mark both band and hat's bottom edge into even quarters.

With right sides together, match center marks on band's raw edges and hat's edge and pin together.

Note- the band will be smaller than the hat's edge and you will need to stretch the band to fit the hat's edge.

Stitch and press seam allowance up and cuff down.

Press band in half lengthwise to wear.

Knotted Style:

Loosley tie knot at top of curve.

All done! :)
