

Tiny Tulip

By: Patterns for Pirates

Before you start:

- Read instructions before beginning.
 - I suggest preparing your fabric exactly how you will care for the finished garment- meaning if you're going to machine wash and dry, do it now! It will prevent any shrinkage, color bleeding, and get any nasty chemicals off!
 - When printing the pattern, make sure scale is set to 'none' or 'actual size'. Take your time matching and taping. Carefully measure the 2"x2"/4cm x4cm squares on page A1 to make sure it printed correctly (even if it is off by 1/8" it will change your fit dramatically!)
 - These are NO TRIM pages... just line up edge of paper to dark grey guide line.
- Here is a video in the [P4P FB group](#) if you need more help: [Video Link](#)
- You are free to sell products made from the pattern. I would LOVE for you to cite that it was a 'Patterns for Pirates' pattern in your listing!
 - As always, back stitch when starting and ending a seam. Serge or zig zag finish all seams.
 - All seam allowances are 1/2" unless otherwise stated.
- *Need more help? Here is a blog post for beginners with more info: [Blog Link](#)

Need help mashing sizes? Here is a blog post on [How to Mash Sizes](#).

Size chart: All in inches. Hip-widest part, usually across the booty. This shirt is a loose fit through bust, waist and hip. The tulip options will give more swing and feel looser than the plain option.

Tip If your child is a mix of sizes, I recommend taking their overall height and using that length, and using their hip size for overall width. As you trace or cut your pieces keep all lengths their overall height size and all widths to their hip size.

Repeat with opposite side tulip bodice.

Stitch side seams.

Step 2 - Finishing the Bottom Hem

Tulip Options: [CLICK HERE](#)

Plain Front/Back Option:

Hemmed Option - Press bottom raw edge 1/2" up to wrong side.

Edge-stitch along raw, pressed up edge with your favorite stretch stitch.

Banded Hem Option -

With right sides together, matching quarter points and aligning raw edges, slip waistband inside shirt.

Note: the waistband is smaller than the shirt and will need to be stretched to fit the opening.

Stitch, being careful to stretch only the waistband and not the shirt.

Flip waistband down and press seam allowance up.

Tulip Front/Back Options: Open Tulip from plain bodice. Press bottom raw edge 1/2" up to wrong side.

Edge-stitch along raw, pressed up edge from one shoulder along the bottom to the opposite shoulder with your favorite stretch stitch.

Step 3: Shoulder Seams

Step 4: Sleeves

Short Sleeve: [CLICK HERE](#)

3/4 and Long Sleeves:

Memory press bottom raw edge by pressing 1/2" to the wrong side.

Unfold memory press. With right sides together, fold sleeves in half lengthwise.

Stitch.

Turn sleeve right side out. Mark 1/2 way points on lower sleeve and sleeve opening of shirt. Note: the 1/2 way point on the shirt will be to the back of the shoulder seam.

With right sides together, matching 1/2 way points and side seams, slip sleeve inside sleeve opening of shirt.

Stitch.

Repeat with opposite sleeve.

Hemming the Sleeves:

Fold up sleeves 1/2" to the wrong side and press.

Edge-stitch along raw edge using your favorite stretch stitch.

Step 5: Finishing the Neckline

Pictured: Tulip Back Option

Pictured: Tulip Front Option

All Options:

With right sides together, fold neckband in half widthwise and stitch short ends, creating a circle.

With wrong sides together, fold neckband in half lengthwise.

Mark quarter points on neckband and neckline of shirt.

With right sides together, matching quarter points and aligning raw edges, slip neckband inside shirt.

Note: the neckband will be smaller than the opening of the shirt and will need to be stretched to fit.

Stitch, being careful to only stretch the neckband and not the shirt neckline.

Flip neckband up and press seam allowance toward shirt.

Optional: Top-stitch.

Optional: Tack the tulip bodice pieces where they cross over or top-stitch along hemmed edge of top tulip layer, to keep both layers together and prevent them from opening.
