

Reversible Bag „Milly“

in two sizes

DESCRIPTION

Have you been searching for a pretty, made on a whim favorite bag? The reversible Milly Bag is the one for you! Aside from the reversibility this pattern convinces with its diagonal box pleats and interestingly boxed corners. You can make the large bag out of fabric and belt webbing to use as a shopper or a beach bag. The child version is constructed for belt webbing handles.

MATERIALS NEEDED

You can make the bag in two different sizes and will need the following materials:

Reversible Bag

about 55 x 44 x 12 cm (21 ⁵/₈" x 17 ³/₈" x 4 ³/₄") (H x W x D)
each 110 x 65 cm (43 ¹/₄" x 25 ⁵/₈") fabric for outer bag and lining

Variation with belt webbing straps:
each 110 x 45 cm (43 ¹/₄" x 17 ³/₄") fabric for outer bag and lining
2 x 60 cm (23 ⁵/₈") belt webbing, 4 cm (1 ⁵/₈") wide

Children's Bag

about 40 x 32 x 8 cm (15 ³/₄" x 12 ⁵/₈" x 3 ¹/₈") (H x W x D)
each 75 x 30 cm (29 ¹/₂" x 11 ³/₄") fabric for outer bag and lining,
2 x 30 cm (11 ³/₄") belt webbing, 3 cm (1 ¹/₈") wide

SEAM ALLOWANCE & SKILL LEVEL

This pattern already contains 1 cm (³/₈") seam allowance.

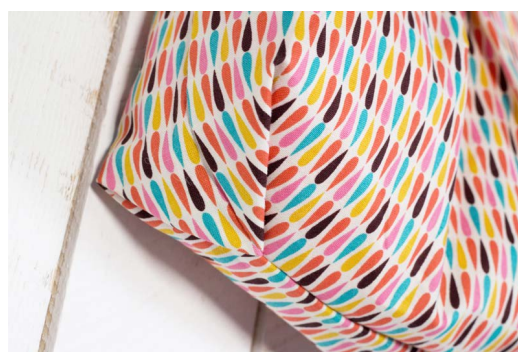

CUTTING LAYOUT

Cut each pattern piece 2x out of outer and lining fabric. Do not forget to transfer the marks (notches) by snipping about 5 mm ($\frac{1}{4}$ ") at the edge of the fabric. The notches are very helpful in the construction of the box pleats.

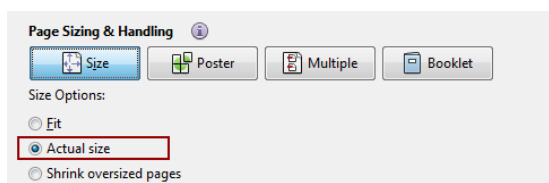

INSPIRATION

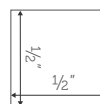

PRINTING THE PATTERN

IMPORTANT: Pay attention that the pages are printed in „actual size“ and not scaled to fit.

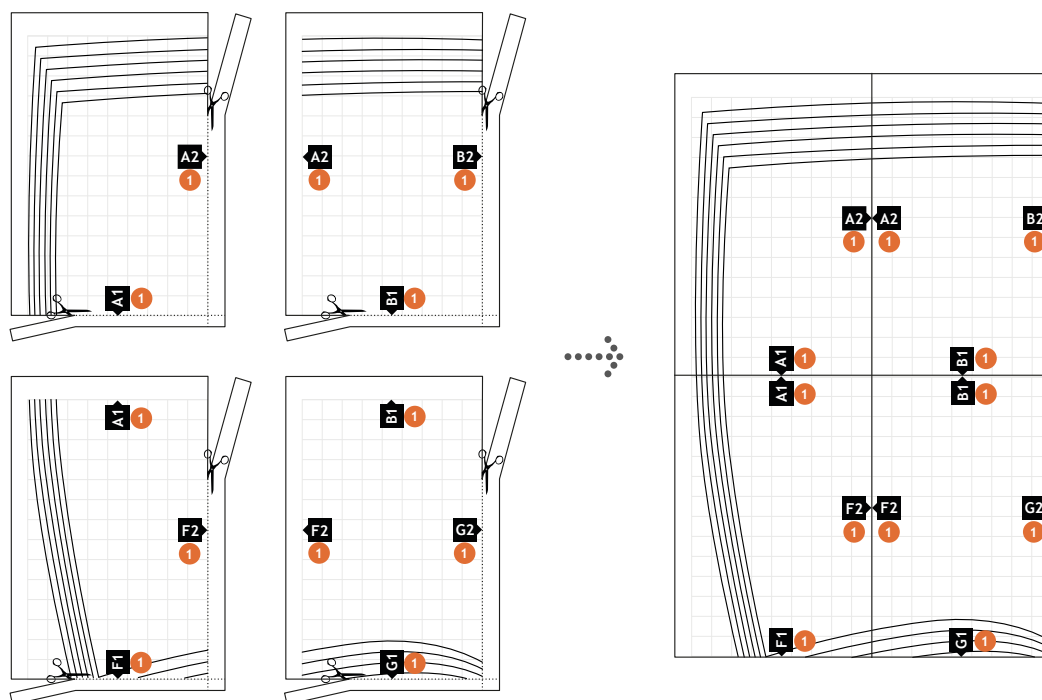

Each page of the pattern contains a sizing square. This square is 1 x 1 cm ($\frac{3}{8}$ " x $\frac{3}{8}$ " large).

Size control:

PUTTING THE PATTERN TOGETHER

You have to staple or glue the pattern pages together. To do this quickly, cut each right and bottom side alongside the checkered surface away. Now you can easily tape, glue or staple the pages onto one another so that the letters and numbers on each page align. All lines should meet and the pattern should be easily recognizable.
