The diagram shows a pattern piece for a backless top. It features a large, irregular shape on the left side, which appears to be a sleeve or a side panel, with a small horizontal line segment near its top. To the right of this shape are two long, slightly curved vertical lines. In the top right corner, there are two curved lines that likely represent a neckline or shoulder detail. The entire pattern is enclosed within a dashed rectangular border. Small scissors icons are located at the top right and bottom left corners of the border, indicating where to cut. A small grey triangle is positioned at the top center of the border, and another is at the bottom center. A vertical text label on the right side of the border reads 'Seite 14 von 32 - Sheet 1'.
