How to sew the cushions:

Decorate the front piece using the included templates - Appliqué with a tight zigzag stitch. Place front and back pieces right sides together and sew all the way around, leaving a small gap for turning. Cut notches along curved seams. The background features a thin, dark gray wavy line that starts from the top right, curves down and to the left, and then curves back down and to the right towards the bottom. On the right side, there are three partial, light gray circles: one at the top right corner, one in the middle right, and one at the bottom right corner.
