The background features a series of parallel diagonal lines sloping from the top-left towards the bottom-right. These lines include solid, dashed, and dotted patterns. The page is framed by gray circular shapes at the corners: top-left, top-right, and bottom-right.

12

The page features a minimalist design with a light gray background. In the top-left corner, there are several overlapping geometric shapes: a solid black line, a dashed black line, and a dotted black line, all extending diagonally. Additionally, there are four gray circular shapes at the corners of the page, each partially visible. The number 13 is centered on the page in a large, bold, gray font.

13

The background features several diagonal lines and dotted patterns. A solid line runs from the top left towards the middle right. Below it, a dotted line follows a similar path. Further down, another dotted line is visible, and at the bottom, a dashed line extends across the width. The number '14' is centered in the lower half of the page.

14

The background features a series of overlapping geometric shapes. A large, light gray parallelogram is tilted diagonally across the page. Within and around this shape are various lines: a solid black line, a dotted black line, and a dashed black line. Some of these lines form a smaller, more complex shape in the upper left corner. The overall aesthetic is minimalist and architectural.
