

# DIY52411 Kiddie Cushions #KiddieCushions

## How to sew the cushions:

Decorate the front piece using the included templates - Appliqué with a tight zigzag stitch. Place front and back pieces right sides together and sew all the way around, leaving a small gap for turning. Cut notches along curved seams. Turn right side out, stuff with filling, and close the opening with hand stitches.

## You need the following fabric
