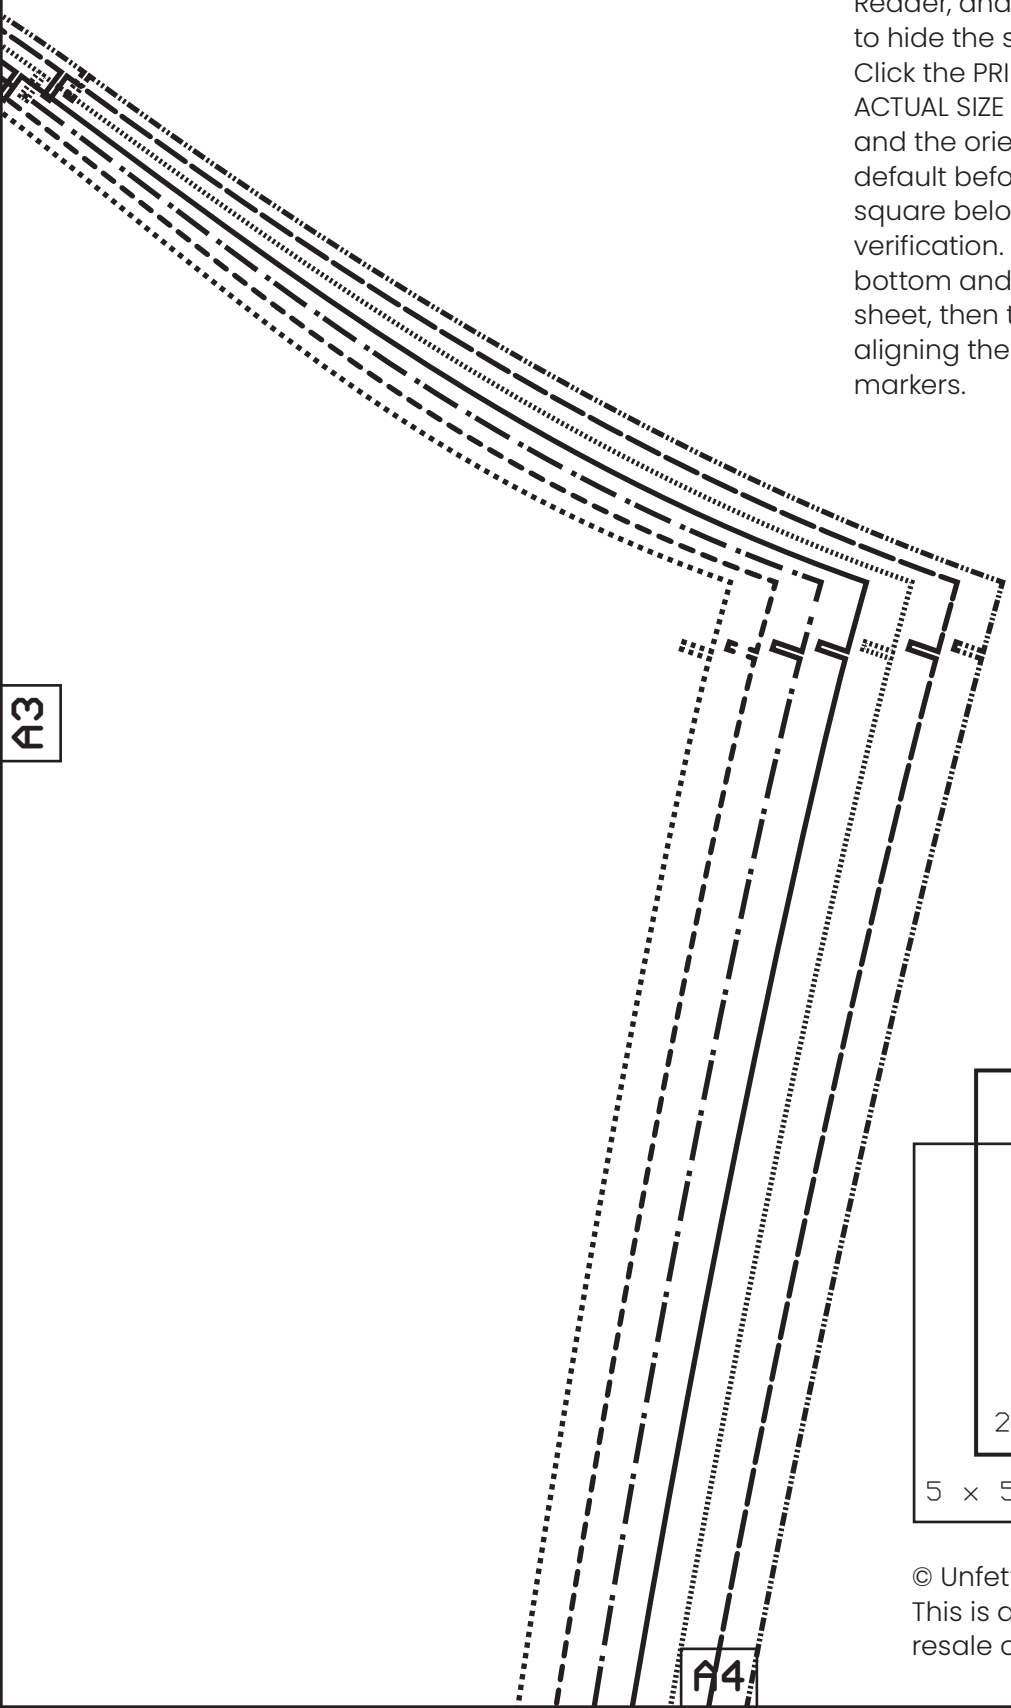
Read first!

Open your PDF sewing patterns in the desktop version of Acrobat Reader, and use the layers feature to hide the sizes you don't need. Click the PRINT icon, ensuring the ACTUAL SIZE option is checked and the orientation is set to default before printing. The control square below is included for size verification. To assemble, trim the bottom and right margins of each sheet, then tape them together, aligning the corresponding markers.



2 × 2"

5 × 5 cm
